MONTELEONE, Dominique

As a newcomer to Dunsborough, it's important to me to be part of the local community, and as a small business owner it's a necessity. This led me to joining the Dunsborough Yallingup Chamber of Commerce and I'm now honoured to be the newly appointed President. I'm a change maker, a go-getter and I believe the greatest assets are in our community, so I want every business across Busselton to have opportunities to develop and grow. I'm dedicated to the facts and working together with honest and open discussion. I'm also certified in community engagement so I'm passionate about community opinions and ensuring everyone can provide feedback. I love living and working here, it's the best decision I made, so I hope you can trust me to represent the community and create even more vibrancy.
