RICHARDS, Jodie

Having lived in the SW intermittently since 1987 and permanently from 2007 when I was transferred to Busselton as a Paramedic, I have been a passionate advocate for small business and sustainable economic and social development. I left the Ambulance Service after 14 years to start a business in the Vasse Business Park. In 2012 I joined the Board of the Busselton Chamber of Commerce and accepted the role of CEO of the BCCI in 2017.

I bring a commitment to honesty, integrity and transparency which I have demonstrated in my previous roles and will strive to ensure values of this community are heard and decisions made accordingly.

I have 2 teenage children, am currently on the Board of South West Counselling Inc and operate 2 businesses–Global Industry Solutions and Get Pickled and Get Shucked
