

Candidate Details

District	City of Busselton
Candidate Name	Brad Maxwell FLINTOFF
Ballot Paper Name	FLINTOFF, Brad
Nominating for	Councillor
Election Type	Ordinary

FLINTOFF, Brad

As a local parent and business operator I intend to use my opportunity on council to focus on the future growth of industry and employment in the region.

I will focus on fiscal sustainability and transparency to keep rate increases in line with inflation.

I will ensure the city's amenability and environment are considered in all policy decisions and in particular with the current Bush Fire Notice review.

I have lived in Busselton for the past five years with my young family. I am an IT professional with a Bachelor of Science from Curtin University and have many years' experience in executive leadership roles. Whilst living in Busselton I have started and operated two small businesses. I believe this experience provides me with the skills necessary to be a productive member of the council.
