Nominating for	Councillor
Election Type	Ordinary

EVERY, Julia

You may know me as Midge Avery although it says Julia Avery on the ballot paper. I have lived in the Busselton-Dunsborough area for 45 years.

I stand for community and people. Health and confidence in local decision-making for you, your family and friends are priorities. Practical and sensible spending in our City provides security for all of us especially assistance with health and emergency, youth and seniors' services. Ratepayers expect the maintenance of our community open spaces and facilities which contributes to our well-being. After living, studying, working as a photo-journalist, being a parent and belonging to several local organisations in Dunsborough and Busselton, I have seen many changes in our region and am determined to make positive and workable decisions for our future.
