JANOWICZ, Amber

I came to Busselton over a decade ago to raise my children in a community centred environment. I am a fierce advocate for supportive, informed and healthy communities. Working in Busselton Hospice and regional mental health has given me a deep understanding of the importance of a strong community to support our most vulnerable members.

I was a business owner for 13 years before returning to study, completing my Bachelor of Arts in Writing & Literature at ECU Bunbury in 2020. As such, I have extensive business experience along with strong written and verbal communication skills and pride myself on being able to use a blend of common sense and research in decision making.

Acting with honesty and integrity in all things, I would welcome the opportunity to represent our community on council.
