24	C1210/297	13.1 CAPES REGIONAL ARTS AND CULTURAL FACILITIES NEEDS
October		ASSESSMENT REPORT
2012	Carried	That the Council adopts the Capes Regional Arts and Cultural Facilities
	9/0	Needs Assessment Report as a guide to future planning.

		The Capes Regional Arts and Cultural Facilities Needs Assessment Report will be made available to the public on the City's website within one week of the Council resolution and an implementation plan will then be developed. Key Points within the Report [pg 60] "The Needs Analysis undertaken during the course of this Project indicated that the likely demand is more for a performing arts centre of the order of 300 seats (pg. 11 estimated cost of \$20-\$22 million for capital) preferably in black box styleIn recommending this sort of facility, it is important to take account of the findings and community response that came out of this Project – and also the work undertaken by Pegasus [2008 Feasibility Study] which was also a comprehensive survey workshop forum." [pg. 61] "On the basis of research and on findings and benchmarking in relation to facilities design, capacity, utilisation, subsidies, and associated research undertaken across a wide cross section of the community and other documentation/research the concept of a performing arts centre located in Busselton is supported and recommended". "In summary, it is seen that his facility would be welcomed in the local community as a long overdue. The need is becoming more critical as the City develops further. It would be a valuable focus point for all parts of the community and the development of the potential of that community, as evidenced in the research for this Project, and other referred to elsewhere [in the report]. This facility in its proposed location would encompass both performing and some visual arts capacity in terms of gallery space. It would also be
		and some visual arts capacity in terms of gallery space. It would also be in proximity to cross art form work through other cultural facilities and arts organisations located in the Cultural Precinct, involving both professional and non-professional artists who are resident in and touring the region. It is also important to note the capacity for conferences and trade shows and the importance this raises for the operational and budgetary
		framework for this centre."
