**10. NEXT MEETING**

1<sup>st</sup> March 2022

**11. CLOSURE**

## Attachment 7.1

### Report to City of Busselton Local Emergency Management Committee meeting to be held on 7<sup>th</sup> December 2021

**Agency:** City of Busselton

**Officer Representing:** Ian McDowell – Ranger & Emergency Services Coordinator

#### 1. 1. Circulation of Information

All relevant correspondence and information regarding emergency management legislation, policies and other information is provided to LEMC members in a timely manner. Since the last meeting the following was distributed to members:

- Email dated 11 November 2021: DFES District Emergency Management Advisor, South West (Vik Cheema) – Preparing Australian Communities Program for projects of local significance (PACP Local) post meeting update

#### 2. Local Emergency Management Arrangements Emergency Contacts and Resources Directory (Appendix 4)

Appendix 4 of the LEMA is the Emergency Contacts and Resource Directory – reviewed quarterly (aligned to the LEMC meeting schedule), updated and distributed accordingly.

The directory will be updated for this quarter and distributed to LEMC members with the meeting Minutes. A reminder this is a confidential document and not intended for public distribution.

#### 3. LEMC Terms of Reference

An internal review of the LEMC Terms of Reference was conducted. The revised Terms of Reference were adopted by the Council on 8 September 2021 and will be attached to the Minutes of this meeting.

#### 4. LEMC Meeting Frequency & Format

At the last DEMC meeting there was discussion around the effectiveness and frequency of LEMC meetings, as well as agency attendance. Vik Cheema, DFES District Emergency Management Advisor – South West) presented a fact sheet to the DEMC which is attached to this report.

Discussions have been held within the CoB with the following meeting model presented for discussion:

- a. number of LEMC meeting each year to be reduced from four to two;
- b. one meeting to be held in October/November each year (post storm season/pre bushfire season);
- c. the other meeting to be held in April/May each year (post bushfire season/pre storm season); and
- d. that at each of the meetings a maximum one hour desktop exercise be held as follows:

- i. October/November meeting: bushfire scenario; and
- ii. April/May meeting: storm scenario.

If supported by the LEMC, meeting Agendas will also be reviewed with a view to adding some of the headings included in the DEMC fact sheet (attachment 2). For example:

- a. confirmation of LEMA contact details;
- b. status of LEMA including Recovery Plans;
- c. desktop exercises as above;
- d. key achievements;
- e. funding opportunities; etc.

**Officer Recommendation:**

1. That the frequency of LEMC meeting be reduced from four to two each year;
2. That the first meeting be held on the first Tuesday of April/May (*delete one*) each year and that the meeting include a one hour desktop exercise (storm scenario); and
3. That the second meeting be held on the first Tuesday of October/November (*delete one*) each year and that the meeting include a one hour desktop exercise (bushfire scenario).

**Moved:**

**Seconded:**

**5. Meeting Dates**

Pursuant to clause 5.1 of the Terms of Reference the Committee shall meet at three monthly intervals normally the first Tuesday in March, June, September and December. The following is the proposed meeting schedule for future meetings (all meetings commence at 3:00pm):

- 1 March 2022
- 7 June 2022
- 6 September 2022
- 6 December 2022
- 1 March 2023
- 6 June 2023
- 5 September 2023
- 5 December 2023

**Attachments:**

1. LEMC Terms of Reference September 2021
2. LEMC Meeting Frequency Fact Sheet

**Attachment 7.2**

**Report to City of Busselton Local Emergency Management Committee meeting to be held on 7<sup>th</sup> December 2021**

**Agency:** City of Busselton

**Officer Representing:** David Russell - Airport Operations Coordinator

**Matters to be discussed:**

**Emergency Exercise**

**Acknowledge this quarterly meeting of Busselton Margaret River Airport (BMRA) Emergency Committee (sub-committee of LEMC) as documented in the BMRA Aerodrome Manual, BMRA Emergency Plan and CASA regulations.**

On 16 October 2021 the City of Busselton held Emergency Exercise 'ABORT TAKEOFF' at Busselton-Margaret River Airport. (Attached)

Aircraft movements into Busselton-Margaret River Airport have increased steadily with Fly in Fly out (FIFO) flights since 2010. With the expected commencement of Regular Public Transport (RPT) operations in February 2022 utilising larger aircraft with increased passenger payloads this presents significant implications in terms of the City of Busselton's LEMC's capacity to manage an aviation emergency response, including potentially large numbers of casualties involved in a single incident/accident.

Exercise 'ABORT TAKEOFF' was a field exercise involving all agencies nominated in the Aerodrome Emergency Plan. This exercise was conducted to practice or review all or part of the Airport Emergency Plan as required under the Civil Aviation Safety Regulations (CASR) in regard to an aviation emergency airside at the Busselton-Margaret River Airport.

For further information please contact David Russell, Airport Operations Coordinator ([david.russell@busselton.wa.gov.au](mailto:david.russell@busselton.wa.gov.au))

**BMRA Aerodrome Emergency Plan**

Under CASA MOS 139 (Aerodromes), 24.01 (3)(d)(i)(ii).

The Aerodrome Emergency Committee, in conjunction with the aerodrome operator, must do the following:

(d) Review the Aerodrome Emergency Plan:

- (i) Following a test, an exercise or a real activation of the aerodrome emergency plan for the aerodrome; and
- (ii) if subparagraph (i) does not apply, at least annually.

Please see attached AEP for review.

## Attachment 7.3

### Report to City of Busselton Local Emergency Management Committee meeting to be held on 7<sup>th</sup> December 2021

**Agency:** Department of Fire and Emergency Services

**Officer Representing:** Vik Cheema, District Emergency Management Advisor

#### Matters to be discussed:

#### District Emergency Management Advisor – Report

#### 2nd Quarter 2021-22

#### State

**State Emergency Management Committee** met on 1 October 2021. Please see attached copy of the SEMC Communiqué. Key points to note:

- Animal Welfare in Emergencies plan activation during the Wooroloo bushfire.
- Emergency Preparedness Report
- Allocation of \$1.3 million of the Mitigation Activity Fund (MAF) Royalties for Regions funding to treat priority bushfire risk on Crown land under the care, control and management of eligible LGA in WA.

Discussion Paper for the **Community Resilience Strategy** has been released. This Paper has been informed by community and stakeholder consultation undertaken over the past 18 months, and also by your input over the course of the project.

The Paper proposes a suite of action for further community consultation. It does not represent a position of Government but has been endorsed by the Minister for consultation. The launch of the Discussion Paper commences a new consultation phase to get feedback on the proposed approaches and develop some of the ideas more fully. The outcomes of this phase will inform a recommendation to Government regarding adoption of a final strategy discussion Paper for the Community Disaster Resilience Strategy is available

For further information, please check <https://semc.wa.gov.au/resilience>

#### **Preparing Australia Program**

On 5 May 2021 the Prime Minister announced the Preparing Australia Program which will invest \$600 million toward households and communities to ensure they are better prepared for future disasters. Round one of the program is called Preparing Australian Communities Program for projects of local significance (PACP Local). The program will support projects that mitigate or reduce the disaster risk, impact and consequence associated with large-scale natural hazards.

Attached are the grant guidelines which were released recently, and have summarised the key information below:

- PACP Local (this round of the program) is for \$150 million available from 2021–22 to 2024–25.
- It will support locally identified and locally led projects that will improve the resilience of communities against three hazards - bushfires, flood and tropical cyclones.
- The grant is coordinated by the NRRRA and administered by Department of Industry, Science, Energy and Resources. The SEMC BU are providing a WA communications support role to the NRRRA.

- Applications will open on 10 December 2021 and close at 2pm WST on 6 January 2022 (5pm AEDT).
- WA have 24 priority LGA's across the three hazards – bushfire, flood and cyclone. Some of these are across multiple hazards (pages 28 – 31 of the grant guidelines).
- All LGA's are still able to apply, but priority LGA's get 20 additional points.
- Grants are between \$20,000 (minimum) and \$10 million (maximum).

Please note the Preparing Australia Program grant is managed by the National Recovery and Resilience Agency. For further information please check:

<https://recovery.gov.au/preparing-australia-program>

#### District – South West

South West DEMC meeting held on 26 October at the new Emergency Service Centre Koolinup, Collie.  
Key points to note:

- Wooroloo Recovery update
- Introduction to the new hazard – Hostile Act
- DBCA spring burn program update

#### Local

- Copy of the Local Emergency Management Arrangement – Status is attached to this report.

# SEMC COMMUNIQUE

## OCTOBER 2021 HIGHLIGHTS

The State Emergency Management Committee (SEMC) met on 1 October 2021.

The key items from the meeting are summarised below.

### Discussion Items and Outcomes

During the Wooroloo bushfires in early 2021, the State Support Plan – Animal Welfare in Emergencies was activated for the first time. The SEMC received a presentation from Pamela l’Anson and Brett Hopley from the Department of Primary Industries and Regional Development (DPIRD) on the activation process and outcomes:

- This was the first activation of the plan and the Committee for Animal Welfare in Emergencies (CAWE).
- CAWE has 27 members who promote communication, collaboration and the integration of animal welfare into emergency management. CAWE members include Department of Fire and Emergency Services (DFES), Department of Biodiversity, Conservation and Attraction (DBCA), RSPCA and Perth Zoo.
- During the Wooroloo bushfires an immense amount of support was given by the Australian Veterinary Association and individual vets, which SEMC and DPRID commended. There were up to 40 veterinary professionals involved daily over the 4 days of the activation.
- Feedback was given to the community at the evacuation centres on the animal welfare situation and surrounding individual properties and animals. This information was well received by the public and helped to assure their animals were safe and fed. This in turn reduced the number of requests to enter high risk areas, reducing resources required to manage public safety.
- After the bushfires a review of the State Support Plan was conducted, which identified 18 recommendations which DPIRD have already commenced actions on to improve their response for the upcoming high threat period. The SEMC acknowledged DPIRD’s efforts and actions to implement, collaborate and improve the plan for future activations.

The SEMC Business Unit presented on the progress of the 2021 Emergency Preparedness Report, which advises the Minister on the preparedness of the WA emergency management sector. This annual report analyses information from a range of sources including the State Risk Project, significant incidents (e.g. Tropical Cyclone Seroja and Wooroloo Bushfires) and interviews with key leadership across the emergency management sector.

The SEMC endorsed the allocation of over \$1.3 million of the Mitigation Activity Fund Royalties for Regions funding to treat priority bushfire risks on Crown land under the care, control and management of eligible Local Government Authorities in regional WA.

### Next meeting of the SEMC

The next meeting of the SEMC will be held on Friday 3 December 2021. Agenda items are to be submitted no later than Friday 12 November 2021.

## Consultation

The following items will open for consultation in November/December:

- State Emergency Management Plan; Roles and Responsibilities.
- State Emergency Management Response Procedure 20; Australian Government Physical Assistance/Defence Assistance to Civil Communities.
- State Emergency Management; Traffic Management During Emergencies Guidelines.

You can find and give feedback on items which are open for consultation by [clicking this link](#), scrolling to the relevant item and click 'Get Involved'.

## GENERAL UPDATES

### Subcommittee's and Reference Groups

The next meetings for SEMC Subcommittee and Reference Groups are scheduled for:

- Lessons Management Reference Group 14 October 2021
- Essential Services Network Reference Group 14 October 2021
- Public Safety Communications Subcommittee 20 October 2021
- Risk Subcommittee 21 October 2021
- Response Capability Subcommittee 27 October 2021
- Public Information Reference Group 2 November 2021
- State Exercise Coordination Team TBC

The Recovery and Community Engagement Subcommittee met on Friday 8 October 2021.

### Community Disaster Resilience Strategy

The Department of Fire and Emergency Services (DFES) and Australian Red Cross were awarded funding in 2019 to prepare a Community Disaster Resilience Strategy for WA.

The Strategy aims to increase the capacity of communities to cope with and recovery from the possible impacts of natural hazards, identify resilience priorities and guide the development of programs and activities to address resilience gaps. The Strategy will align closely to the National Strategy for Disaster Resilience and the National Disaster Risk Reduction Framework. Through stakeholder consultation, a Community Disaster Resilience Strategy Discussion Paper has been established. The next round of consultation on the Discussion Paper was officially launched at the WA Emergency Management Conference in Bunbury on 13 October 2021. The consultation will ultimately inform the final strategy. DFES will be seeking feedback specifically on the proposed outcomes framework, transformational shifts, change initiatives and implementation roadmap.

Thank you everyone who has contributed to date to this important project. Your input plays a key role in assisting us to deliver a robust Community Disaster Resilience Strategy for Western Australia.

Want to get involved? [Click here](#) to access the 'Ideas Wall' or join the mailing list to keep informed on the strategy and its progress.

## 2021 WA Emergency Management Conference

The SEMC would like to extend their congratulations to the Shire of Dardanup for hosting an engaging and motivational 2021 WA Emergency Management Conference at Bunbury Regional Entertainment Centre on Wednesday 13 October 2021. This conference was supported by the [All West Australians Reducing Emergencies \(AWARE\) Program](#) grant allocation, which is part of a competitive grants program which the SEMC oversees. For more information, please visit [www.semc.wa.gov.au](http://www.semc.wa.gov.au).

The range of speakers gave great insight into the emergency management sector both in WA and nationwide. Topics included a future focused emergency broadcast network, the impact of climate change on natural disasters, mental health for first responders (both career and volunteer) and the impacts on communities from long term recovery. The conference closed with an inspiring presentation from Clifton Tjapanangka Payirntarri Bieundurry, Traditional and Cultural Fire Officer at the Bushfire Centre of Excellence. Clifton shared personal cultural stories from his upbringing, detailing different methods of cultural fire practices and how it fits in today's growing world.
