

Information On Horse Beach Exercise Areas

Horses

The City of Busselton is a horse-friendly municipality. Horses may be exercised with due caution in the following beach locations (maps overleaf).

Horse Litter

Riders are asked to make every effort to clean up after your horse. The 'cleaning out' of horse transport equipment on any City property, including dedicated horse exercise areas is not permitted and infringements may be issued to offenders.

Respect Other Beach Users

While these areas have been set aside as areas for the exercising of horses, this is not the exclusive use of the beach. Persons exercising horses must not allow their activity to impinge upon the comfort and safety of others and must remain in control of their horse at all times.

Vehicles on Beaches

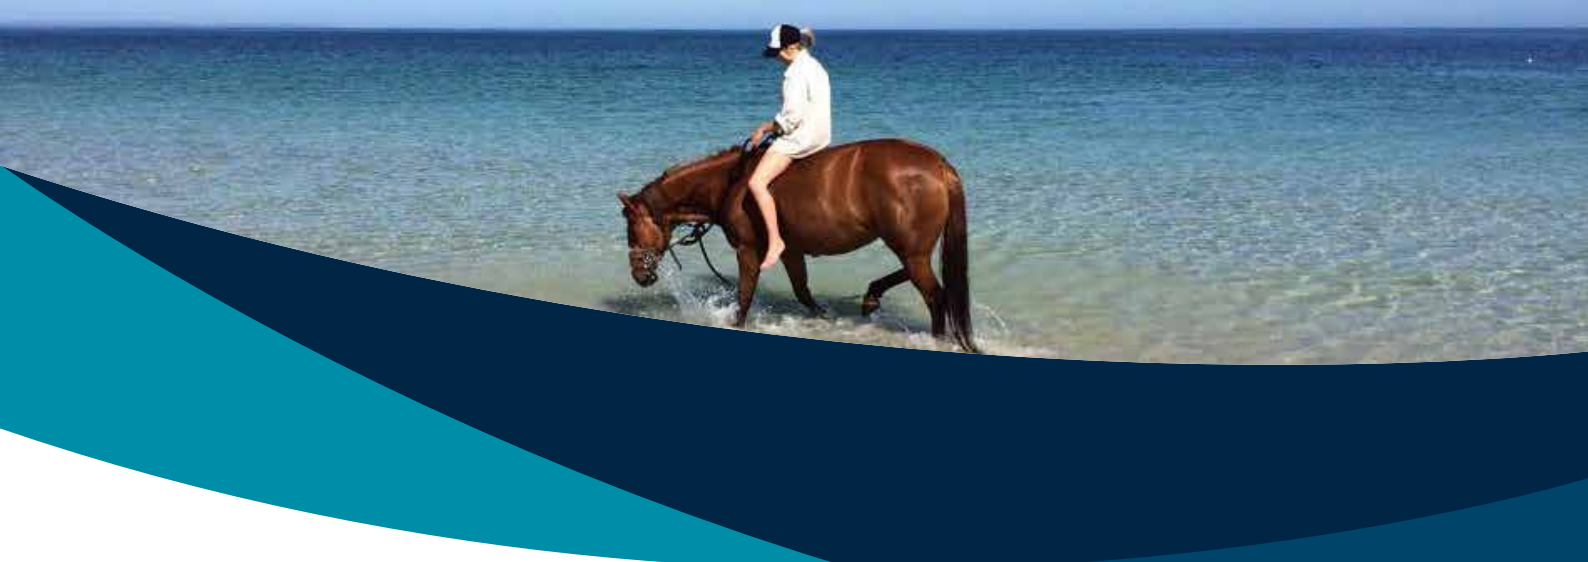

For the safety of all beach goers, no vehicles/horse floats are permitted on beaches set aside as horse exercise areas.

Other Restrictions

In accordance with Activities in Thoroughfares and Public Places and Trading Local Law 2015 (Section 4.2 Prohibitions Relating to Animals), an owner of a horse shall not lead, ride or drive a horse on a thoroughfare in a built-up area unless that person does so under a permit or under the authority of written law.

Riding horses through National Parks and A-Class Reserves may be prohibited under State Government Regulations.

Riders should ascertain the legality of taking their horse on any Crown Land. For more information or to report incidences of horses in non-designated Local Government Areas, please contact the City on 9781 0444 or city@busselton.wa.gov.au.
