5. POLICY STATEMENT

5.1. Council seeks to obtain the best value-for-money insurance coverage for each building owned or managed by the City.

5.2. There are four levels of insurance:

- a. **Replacement / Reinstatement:** cost for full replacement of a building to current day standards, including provisions for architects and engineers fees, removal of debris, extra costs of reinstatement, extinguishment costs and miscellaneous structures and equipment.
- b. **Indemnity Only:** the market value of the building. In the event of a total loss, that amount is the maximum amount payable and there is no consideration of replacing or rebuilding the asset.
- c. **Demolition Only:** This value can be set by Council, nominating a value to a certain building based on previous quotations, actual costs or an estimation of the probable costs to demolish it.
- d. **No Insurance:** Council may elect not to insure a building in instances where other insurance cover exists or in circumstances where insurance cover is not necessary.

- 5.3. With the exception of leased buildings, the City will not insure buildings under the value of \$50,000 unless the CEO decides it is necessary, due to special circumstances, to insure a particular building.
- 5.4. All buildings and their associated improvements will be allocated a level of insurance appropriate to its SLH, its current condition and planned future use.
- 5.5. The typical relationship between a building’s SLH and its insurance level is shown in the below table:

SLH	INSURANCE LEVEL
1	Replacement / Reinstatement
2	Replacement / Reinstatement
3	Replacement / Reinstatement or Indemnity (in some cases)
4	Replacement / Reinstatement or Indemnity (in some cases)
5	Demolition
6	Replacement / Reinstatement

- 5.6. To ensure that all building values are consistent with current replacement costs and / or market values, the City will undertake revaluations every three years, to be carried out by a Certified Practising Valuer.
- 5.7. All buildings and improvements leased by the City will be insured for replacement / reinstatement value, with tenants, subject to paragraph 5.8, required to pay for the cost of insurance either direct or through reimbursement to the City.
- 5.8. Not-for-profit community and sporting groups who lease buildings that are listed with the Heritage Council of WA and have conservation plans are only required to reimburse 50% of the cost of insurance.
